What can you expect?

IN GAME SCENARIO DRILLS

SPECIALIST TECHNICAL ADVICE

MENTAL APPROACH TO THE GAME FROM A PRO

These sessions will cover all areas, with specialised batting, bowling and fielding master classes.

The performance academy will also host coached **match practice sessions** as well as **one to one net training**, focusing on technique. You will also be given the opportunity to train in our newly installed all, state of the art all weather nets.

There will be **specialised coaching groups for girls**, as well as sessions to **help transition to hard ball** cricket (10-11 year olds). The academy will be hosting softball only sessions too.

Please note, sessions will be split into groups, depending on your cricketing level. This is done so you can get the most out of these sessions.

What did people say about last year?

“I had a great week. The camp was really fun and I developed my cricket skills and made new friends.” 12 year old girl attending transition to hardball week in preparation for winter nets.”

“Both my children had lots of fun with friends new and old. They built confidence with the hard ball and massively improved technique thanks to the fantastic coaching.”

“My sons aged 12 and 14 attended last year’s Summer camp for the full week and both felt they improved their skills – getting expert one to one tips and batting and fast bowling group coaching. The bowling machine and video analysis really helped.”
